Application of

Antair S.A. DE C.V.

**for an exemption pursuant to
49 U.S.C. 40109**

Docket No. OST-1996-1928

**APPLICATION OF
ANTAIR S.A. DE C.V.
FOR RENEWAL OF EXEMPTION**

Pursuant to 49 U.S.C. 40109 and the Department's regulations, Antair S.A. de C.V. hereby applies for renewal of its exemption from 49 U.S.C. 41301 which authorizes Antair to engage in charter foreign air transportation of persons and their accompanying baggage between the United States and Mexico with small aircraft and, subject to prior Department approval, between other countries and the United States. Antair also requests continuation of its stopover privileges and renewal of relief from any requirement to obtain advance approval for each Mexico-U.S. flight. The Department granted the above authority to Antair by Notice of Action Taken dated August 15, 2019. The effective dates of authority granted extended from August 15, 2019 through August 15, 2021. Antair requests that this authority, which is scheduled to expire on August 15, 2021 be renewed for a period of two years, or alternatively for at least one year.

Antair invokes the automatic extension provisions of the Administrative Procedure Act, 5 U.S.C. 558(c), as implemented by 14 C.F.R. Part 377, to maintain its exemption authority in effect pending a final Department determination on this renewal application.

In support of this application, Antair states as follows:

1. The relevant circumstances under which Antair received its initial grant of exemption authority are unchanged.
2. Antair's renewal application is limited in scope and non-controversial. The services Antair proposes to operate are substantially identical to those it performed during the past year, i. e. highly personalized transport services to executives of Antair and its related companies and their invitees using small private business-type aircraft. Antair's Mexican authority to engage in transborder charter passenger services remains in full force and effect, as does its U.S. authority pursuant to its FAA Part 129 Operations Specifications.

WHEREFORE, Antair respectfully requests renewal of its authority to engage in charter foreign air transportation of persons and their accompanying baggage with small private aircraft as set forth herein, and such other relief as may be in the public interest.

Respectfully submitted,
